ABOUT ME

Creative and detail-oriented Full-Stack Developer with proven experience in building responsive and scalable web applications using React, Next.js, Node.js, Express.js, MongoDB, and Tailwind CSS. Strong understanding of frontend and backend development workflows, RESTful APIs, and modern deployment practices. Skilled in translating UI/UX designs into functional applications, ensuring performance, accessibility, and cross-browser compatibility. Currently exploring AI integration to enhance the functionality and intelligence of web-based solutions.
